### **REMARKS**

The present response is intended to be fully responsive to all points of objection raised by the Examiner and is believed to place the application in condition for allowance. Favorable reconsideration and allowance of the application is respectfully requested.

Applicants assert that the present invention is new, non-obvious and useful. Prompt consideration and allowance of the claims is respectfully requested.

### **Status of Claims**

Claims 64, 68-95 and 105-108 are pending in the application. Claims 64, 68-95 and 105-108 have been rejected. Claims AMENDED CLAIMS have been amended.

Claims 1-63, 65-67, 96-104 and 109 have been canceled without prejudice or disclaimer. In making this cancellation without prejudice, Applicants reserve all rights in these claims to file divisional and/or continuation patent applications.

New claims 110-111 have been added in order to further define what the Applicants consider to be the invention. Applicants respectfully assert that no new matter has been added.

Applicants respectfully assert that the amendments to the claims add no new matter.

In the Office Action, the Examiner asserted that Applicants amendment filed 13 January, 2005 was non compliant because Applicants failed to provide a complete listing of all the claims. In response, Applicants provide herein a complete list of all the claims. Accordingly, Applicants request withdrawal of the non compliance.

In view of the foregoing amendments and remarks, the pending claims are deemed to be allowable. Their favorable reconsideration and allowance is respectfully requested.

Should the Examiner have any question or comment as to the form, content or entry of this Amendment, the Examiner is requested to contact the undersigned at the telephone number below. Similarly, if there are any further issues yet to be resolved to advance the
